A Note From...

The Chair &

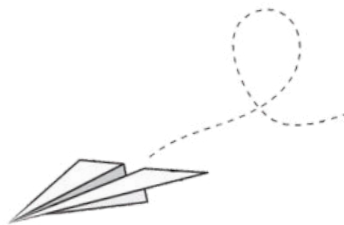

The Town Clerk's Desk

Since the last edition of the gazette it feels like so much has happened, school holidays have been and gone. At some point most of us at the council have managed to get away during the August break when there are no Town Council meetings but this doesn't mean we haven't been working hard for our residents in this time. Before the summer break the Council held a Strategy Committee, to look at how the current administration can improve and enhance services over their term in office.

There were plenty of ideas and officers have been working on the proposals and scoping documents to enable councillors to develop the ideas in actions and future plans. My committee chair colleagues have mentioned some of these in their reports from committees. An immediate change has been the introduction of a paper light council, members of the public will still have paper copies of council agendas and minutes at the meetings however councillors have committed to go paper free saving the council money on paper and printing costs.

As chair of the council, I am invited to several Annual General Meetings of local organisations and I have tried to attend as many of these as possible to ensure these relationships are maintained and report back to full council on events I attend. As always we welcome you at future council meetings a list of which can be found on the back pages.

Chair of Council- Cllr. Lucy Jurd

It feels like I have been in Hedge End forever and yet I have only been in the role for 7 months, I have found the community and people particularly welcoming and enjoyed getting out and about to see the different areas the Town Council own across a variety of services. I've been welcomed by uniformed groups at their meetings, met the Bowling Club and Tennis Coaches and spent time at the allotments. The cemetery is often one of my favourite reflective places as it has beautiful views across to Portsdown.

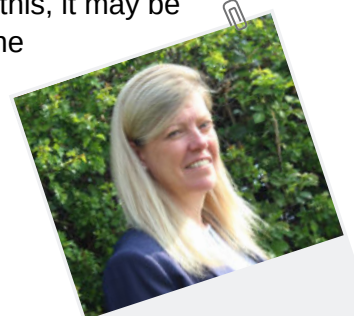

This month has seen us preparing the War Memorial ready for the Remembrance Parade on the 10th of November. The stone has been cleaned by a local stonemason, hedges trimmed and weeds removed. We are hoping for nice weather like last year however I am sure there will be a good turnout regardless of the conditions. A reminder that St John's Road will be closed from 10am until 12pm midday between Bursledon Road and Vicarage Drive on the 10th of November.

The Fireworks Fiesta will return on the 9th of November as permission was granted to use Greta Park for this as per previous years.

Although it may seem some distance away we have been planning the Christmas Lights Switch on since May and bookings are now open for stallholders. Please see the website for the details. The tree has been ordered for delivery the week leading up to switch on and we hope to see as many people as possible on the 28th of November between 4:30 - 6:30pm with the light switch on at 6pm.

To improve our communications with residents we are drafting a Marketing and Communications Strategy which aims to improve dialogue with residents and keep them better informed. You will start to see more of these types of documents on the revamped website as we start to address some of the areas that the Strategy Committee discussed. If you want to have your say please do contact me to discuss the best way to do this, it may be direct with me or attendance at one of our meetings.

Town Clerk - Sarah Jelley

COUNCIL NEWS

RECREATION & AMENITIES

The recent rain makes us realise that Winter is just around the corner, the parks and gardens being in desperate need of it. Funnily enough, I haven't thought much how the rain falls but as I have had my family here from the Orkney Islands, one made a comment. "Your rain comes straight down. Ours is in sheets horizontally" no doubt their rain is swept by the wind.

However, let us just remember the lovely summer we have had here, endless days of warm and sunny weather. The paddling pool has been heaving with lots of families taking advantage of our free facility. Families were picnicking and for those preferring the kiosk will have noticed some new faces as Dan and Monika have kept it running during the season.

Our Allotment Holders have been working hard during the summer months on their plots. However, we have 9 residents on the waiting list, so if you feel you cannot continue for any reason at all, please just let our office staff know, and it could then be passed on to another person.

Our Dowd's Farm Park has been well used this summer and it has proved very successful.

With the older ones using the extension area which was completed at the beginning of the year. A licence was given to Eastleigh Angling Club this year to fish Dowds Farm pond, and they have been using the pond to encourage keen younger anglers. Those who have turned up are quite excited at the help they are receiving and catching their first fish. The pond is for everyone to enjoy and so it's really important that all park users are respectful of one another.

Unfortunately, the Bowling Green has suffered from ongoing vandalism this summer. It is such a shame; the club are so proud of the facility. If you see any problems occurring, please report this to the police via 101 and let our staff know.

Lastly, we recently welcomed Isobel a wonderful student from Wildern School. Isobel joined us at our Recreation & Amenities Committee meeting to discuss her own project on pollination regarding bees and wildflowers. This was a timely visit because at the same meeting our Operations Manager put forward his ideas for wildflowers in some of our local areas, to help support pollinators and wildlife within Hedge End.

Cllr. Jane Welsh- Chair- Recreation & Amenities Committee

125TH TOWN COUNCIL ANNIVERSARY

On the Friday 22nd of November, Hedge End Town Council will be celebrating a hundred and twenty-five years since its founding in 1894. To celebrate we will be hosting a day of activities to get involved with, whilst looking back at the history of Hedge End and the defining moments of change in this ever-growing town.

Although the origin of the name Hedge End is uncertain, it is thought that the area of Hedge End was originally called the 'enclosure of Botley' but in 1863 the name Hedge End was adopted (end of the Hedge of Botley Common). On the 4th of December In 1894 a civil parish was established and the first council was elected. The official meeting was in the National school on the 14th December 1894. All six newly elected member were present Messrs, Hellyar, Coward, Sharpe snr Hibberd, Wellstead and Oxford. The population of the village at this time was just seven hundred!

Join us from 10am-3pm at the 2000 Centre, St Johns Road, Hedge End, Southampton, SO30 4AF.
Parking is available.

COUNCIL NEWS

Green Flag Award

Hedge End Town Council could not be more delighted to share with you the good news! For the tenth year running Albert Road Cemetery in Hedge End has been recognised by the Green Flag Award Scheme as one of the very best in the UK. Hedge End joins other green spaces awarded recognition in Hampshire and the South.

International Green Flag Award scheme manager Paul Todd said "Each flag honours the thousands of staff and volunteers who work tirelessly to maintain the high standards demanded by the Green Flag Award. We congratulate each and every winner on their fantastic achievement."

This international award, now into its third decade, is a sign to the public that the space boasts the highest possible environmental standards, is beautifully maintained and has excellent visitor facilities.

FINANCE

Following the appointment of our new Town Clerk the members of the Policy and Resources Committee (Formerly Finance and Administration) have been reviewing a number of areas within our operations where we might be more efficient or energy efficient.

Firstly, we are proposing to make the Council a "paperless" authority with all of our agendas, reports and minutes being available on the internet or website. Most Councillors have access to tablets or laptops and can access all reports and papers through this means. We may, however, need to acquire several tablets for those who do not, but, over the life of this Council, we anticipate that there will be a net saving. Papers copies can be provided to members of the public, if required, at our meetings.

Secondly, we are reviewing our approach to energy efficiency and savings. Many authorities have declared "Climate Emergencies" and whilst the Town Council is a small authority we will be looking at what we can do to be more energy efficient and to look at ways to reduce our carbon footprint. There will be some relatively easy options to reduce our energy consumption but the reduction of our carbon footprint may take longer as we look at possibly changing to electric vehicles for our ground staff.

Another area which has been reviewed is our communications policy which will include looking at ways in which we present information and news through via the internet and social media. We will be looking at our website to create easier access format and layout of our website together with greater use of Facebook, Twitter etc.

There are other areas of review underway both by this Committee and members of the Recreation and Amenities Committee and we will let you know of these as they develop.

Remember the Policy and Resources committee meets monthly and that our meetings are open to the public. We are always pleased to welcome visitors.

Cllr. Derek Pretty - Chair- Policy & Resources Committee

need to bring your own drink and
glasses

The sun shone brightly on Hedge End Carnival this year, as local residents, families and children lined the streets to support what is one of the biggest calendar events in Hedge End. The sound of drums echoed through the crowds as the procession kicked off at 2.15pm, where it always begins, at the Recreation Ground in St. John's Road. Before turning into Freegrounds Avenue, Sherborne Way, Hobb Lane and Lower Northam Road to finish at Greta Park where the Gala Show will have been in full swing since 1.00pm.

Participants in the Carnival made a wonderful effort this year to incorporate the 'Musical' theme throughout, from fancy dress to decoration of the floats. Popular choices for musicals ranged from the Lion King, Grease, to Oliver Twist and the Addams Family.

The Funfair brought joy and entertainment all through the afternoon, with lovely decorated stalls supported by many of the local groups which can be found on our 'What's on' Page.

The Hedge End Carnival enters its hundredth year in 2021, we hope to see ongoing support for this event, which has continued to raise important funds for local groups and charities within the Hedge End community since founding in 1921.

A DAY IN THE LIFE OF...

A Litter Picker

Graham

What is it you do exactly for Hedge End Town Council and the community within your job role?

My job mainly revolves around maintaining the cleanliness of our open/green spaces, this is through litter picking and checking the bins to see which ones need to be emptied, in which case I will empty them. I also give the play parks a visual check as I go around. The maintenance man Mike will do a thorough check. If I see anything which needs addressing, I will let him know.

Have you been with the Town Council long?

Four years, but I have lived locally in Hedge End for twenty two years. Before this I was a cleaner and have been very loyal to the companies I have worked for in the past. The longest being fifteen years.

When you are out and about what is the most common piece of litter you find all over?

Plastic drink bottles, cans, and sandwich packets is the most common litter I find all over. Most days I can fill between 5-10 black bags full of litter on my rounds which I will empty at the depot. My area generally stretches to all the council owned play areas, green spaces and some wooded areas. Eastleigh Borough Council maintain the village centre and streets.

What are the strangest things you find on your rounds?

Mainly shopping trolleys and fly tipping of leaflets, magazines, brochures etc. I often take shopping trolleys back to the shops in which they came from.

Does the weather ever stop you in your tracks?

No never, I am out in all weathers.

Is there anything you find particularly rewarding within your role?

The general public can be very kind. I often have residents pat me on the back and say, 'Good job' or 'Thank you for the work you do', which is always appreciated. Also, locals who will share with me information such as 'there is a lot of litter over by the tree' again, very helpful.

Could we be doing more to help, if so what?

- This sounds obvious, but please use the bins available to you and avoid putting your own general waste from home in the bins.
- Keep dogs out of play parks because these spaces really are for children only.
- Picking up after your dog makes all the difference to the work I do, and it's unpleasant for others who use open spaces.
- The smashed glass around shelters is an ongoing issue I deal with regularly. Whilst I do not expect it to stop overnight, by reporting anti-social behaviour to 101, can help avoid it continuing in the future.

With Special Thanks to Graham

COMMUNITY HALLS

2000 CENTRE

- Tables and chairs available - Large Hall capacity 150 seated / Small Hall 80 seated

HEDGE END HISTORY

War years

From the years of (1914-1918), 37 men from the Hedge End area gave their lives for "King and Country" and the war memorial in St Johns Road includes many old Hedge End names, including some established village inhabitants. The first world war claimed victims from all social classes and the well-known strawberry fields were put to an alternative use for growing much needed vegetables to help with the nationwide shortage.

During the early years of the second world war, the threat of German air raids was a constant danger. The rural location of Hedge End was deemed a safe area for the relocation of children from more vulnerable larger towns and cities. Pictured (right) is a letter sent to Mrs Deacon of Lower Northam Road. Signed by H.M The Queen Mother thanking her for the hospitality shown to evacuees from Gosport.

The Hedge End Auxiliary unit base was located near to the wooded stream area in Woodhouse Lane. Formed in 1940 under the guidance of Winston Churchill. They were specially trained secret units of between four and eight men who had good knowledge of the local countryside. The men who are pictured below were often handpicked from the Home Guard and remained undercover within the volunteer force until the expected German invasion took place. The Auxiliary unit then would have gone to ground when the expected invasion arrived, to cause mayhem and sabotage to the Germans.

I WISH TO MARK, BY THIS PERSONAL MESSAGE, my appreciation of the service you have rendered to your Country in 1939. In the early days of the War you opened your door to strangers who were in need of shelter, & offered to share your home with them. I know that to this unselfish task you have sacrificed much of your own comfort, & that it could not have been achieved without the loyal co-operation of all in your household. By your sympathy you have earned the gratitude of those to whom you have shown hospitality, & by your readiness to serve you have helped the State in a work of great value.

Elizabeth R

Mrs. Deacon.

SALVATION ARMY *Winner, Winner, Christmas Dinner!*

Once again The Salvation Army Church will be opening its doors on December 25th for anybody who might be spending Christmas Day alone.

“Last year we had around 80 guests and volunteers coming together from 10am until around 3.30pm. The dinner was fantastic and lots of new friendships were forged,” said local Salvation Army Officer, Ian Davis. “There are more people joining us every year for carols, coffee, a Christmas quiz, and the Queen’s speech at 3pm. Our vision is to just create a real sense of community for the day, provide a great meal and have lots of fun... and we do. If transport is a problem we have volunteers who are able to help get those who want to be here from their door to ours!”

In addition, the centre in White’s Way is now open specifically for anybody who fancies a chat and a cuppa on a Friday morning from 10am-12noon. “Once a year is all well and good but we also wanted to create space on a more regular basis.” The project has only been running for a couple of weeks but people are already finding new friends at the group.

To find out more about the café, or to book in for Christmas Day (including transport if necessary), call **01489 796491** or email centre manager **Paul.Northover@salvationarmy.org.uk**. Address: **85 Whites Way, Southampton SO30 2GL**

GAZETTE ADVERTISING

If you are a local business in Hedge End and would like to promote within the Gazette, please contact us for prices, personalised AD Design included.

MARKETING@HEDGEEND-TC.GOV.UK

Eastleigh Men's Shed

Formed in February 2014 Eastleigh Men's Shed began life in Hamble in a back-garden backing onto the old Bursledon airfield. Starting life in an old concrete garage relocated from Romsey, we gradually built up a complex of sheds on the site, sadly in 2017, circumstances beyond our control forced us to seek a new home.

Early in 2018, we were lucky enough to find space in the Upper Hamble Country Park, where over the next few months we built a 50 ft long workshop which is now fully equipped for the work we do for the community.

Men's Sheds are similar to garden sheds only larger – a place to pursue practical interests at leisure, to practice skills and enjoy making and mending. The difference is that garden sheds and their activities are often solitary in nature while Men's Sheds are the opposite. They're about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.

We meet every Wednesday & Thursday 10am-2pm
website www.eastleighmensshed.co.uk, or contact membership secretary **Andi Saunders** on **07547 918966** or **andi@eastleighmensshed.co.uk**

HEDGE-END TOWN COUNCIL

MAPPING NOTABLE TREES IN HEDGE END COMMUNITY TREE PROJECT

Hedge End Town Council are aiming to map all of the important and historic trees in the area and we would like your help! The trees can be old, large, commemorative, or simply a tree which is special to you. Please share with us...

- ★ Where is /was the tree situated? Please be specific (Grid or map ref)
- ★ Do you have any images you wish to share?
- ★ Why is this particular tree important to you?

Write in to Hedge End Town Council via letter or email
2000 Centre, St. Johns Road, Hedge End, Southampton, SO30 4AF
