# A Note From...

## The Chair

A big Thank You goes to you all for the part you have played during the pandemic. The virus struck silently and quickly, and many have had to adapt to change in a way we never thought we would need to.

Residents found themselves isolated at home with relatives sometimes many miles away and the people of Hedge End rose to the challenge providing much needed support to neighbours and strangers alike. I personally want to Thank You for all your hard work.

My fellow Councillors and I have been working with the Town Council team to ensure that we can continue some modicum of normality including moving the Council meetings online. These have worked well and with current guidance not permitting face to face meetings we expect this to continue at least until the new year.

The Town Clerk and her team have been particularly proactive in managing our facilities as each of these

have required risk assessments to stringent guidelines to ensure the safety of our residents and where possible we have been able to re-open facilities quickly and efficiently.

The Tennis Courts have never been more utilised than during this time and we appreciate that has in itself created some booking problems but hopefully this has now eased. As we move into Autumn we now wait with anticipation as to which events we will be able to hold.

We are hopeful that Remembrance Sunday, Christmas Lights Switch on and Fireworks Fiesta will all be able to go ahead, however we ask the public to respect any additional measures that may have to be put in place for these to ensure everyone's safety. Whilst we might not get everything right first time we are carrying on and doing our best, staff are trying to implement new legislation, new ways of working whilst trying to keep their loved ones safe in the home environment and we ask you to be kind to each other.

**Chair of Council - Cllr. Lucy Jurd**

I never thought when I joined the Council in February of last year that I would have had the 18 months we have. The first year was all about understanding the local surroundings and how things worked in Hedge End. Coming from a County Council this was a great opportunity to 'be local' something which in my time in local government had always been the most rewarding parts.

The last few months have taken us more local than I could have imagined from visiting people's houses to collect their surplus government food parcels and delivering them to the Hedge End Food Bank to just being the person on the end of a phone providing support.

Whilst it may seem that the world was on pause this has been a particularly busy time for the staff, with some of them shielding this has placed greater pressure on the others and where in normal circumstances they may have taken leave to be with their families they have been unable to.

If anything the extra demands of meeting the government guidelines often at short notice has at times taken over from business as usual 'to all hands on deck' as I am writing this we are focussing on a phased re-opening of the community halls.

## The Town Clerk's Desk

That's not to say that business as usual has not been taking place, three of our community halls have nurseries with two of them working during lockdown and the third returning soon after.

Very quickly we were able to establish the Council and Committee meetings so decision making can still take place. We have welcomed some members of the public at these but we would very much like to see more of you attend and details of these are on the back page. The annual accounts have been prepared and being audited so will be available soon. Where possible the Town Council is looking for alternative funding streams and we got some grant funding from Eastleigh Borough Council for new Cricket Nets at Turnpike Pavilion.

**Town Clerk - Sarah Jelley**

## RECREATION & AMENITIES

Hello Everyone...

Lockdown has been a daunting time for many of us, coping with the new rules and regulations we have been asked to adhere to. Now as we start to transition into a new normal, hopefully we can begin to move forward again safely.

Our ground staff have had a challenging time over the summer, in addition to their usual ground's maintenance, they have also had to respond to increased levels of anti-social behaviour. I fully appreciate that the lockdown restrictions have meant that people need to find other ways to let off steam, but unfortunately our pavilions and parks have suffered tremendously with fires, property damage and litter. I find this very sad, as our dedicated Ground staff spend hours maintaining the parks, open spaces, and Cemetery to a really high standard, and these are places for us all to enjoy. We would be most grateful if you see anything untoward, by reporting instances to the Police, either by phone or on their website. If the situation is immediate and urgent then please dial 999 immediately, all other instances can be put through 101.

Our Allotment holders have been extra busy this year growing their own vegetables and produce on their plots. We currently have a very long waiting list, so if you or any plot holders you know are struggling to maintain the plot, through lack of time, ill health or any other reason, then please contact the office manager at the Council Offices.

We have had some enquiries regarding the outdoor paddling pool this year; unfortunately, it is not always straightforward, and we have had to consider many safety measures with social distancing and numbers due to the pandemic. We do appreciate how popular the pool is with young children & families in the area, but for the safety of everyone the pool will remain closed this season.

If you have any issues you would like to raise, the Recreation & Amenities meetings are held on the 2nd Wednesday of the month and we would be delighted see you there.

**Cllr. Jane Welsh- Chair- Recreation & Amenities Committee**

## FINANCE

The Covid-19 pandemic has been challenging for the Town Council. Just before the pandemic was declared we had completed the refurbishment of the Old School House in Hedge End and were looking forward to welcoming old and new users to the centre. We are hopeful that this can happen over the coming months.

In addition to this our existing community buildings have all had to close, and we have lost the regular income that had been budgeted for to cover our costs incurred in respect of maintaining these buildings. We are currently in the process of undertaking risk assessments of all buildings to enable a gradual and safe re-opening to the public.

It will be great to welcome everyone back when they feel confident to use our halls again.

Nevertheless, during lockdown, the everyday business of the council had to be maintained. Our staff have continued to work where able, although several members of staff needed to shield, and we wish them well. Our thanks must also go to all the staff that worked throughout the lockdown and kept our grass cut, litter bins emptied and carried out the jobs that needed to be done.

As Councillors we have been using Zoom to hold virtual meetings to ensure continuity throughout and oversee the work of the council.

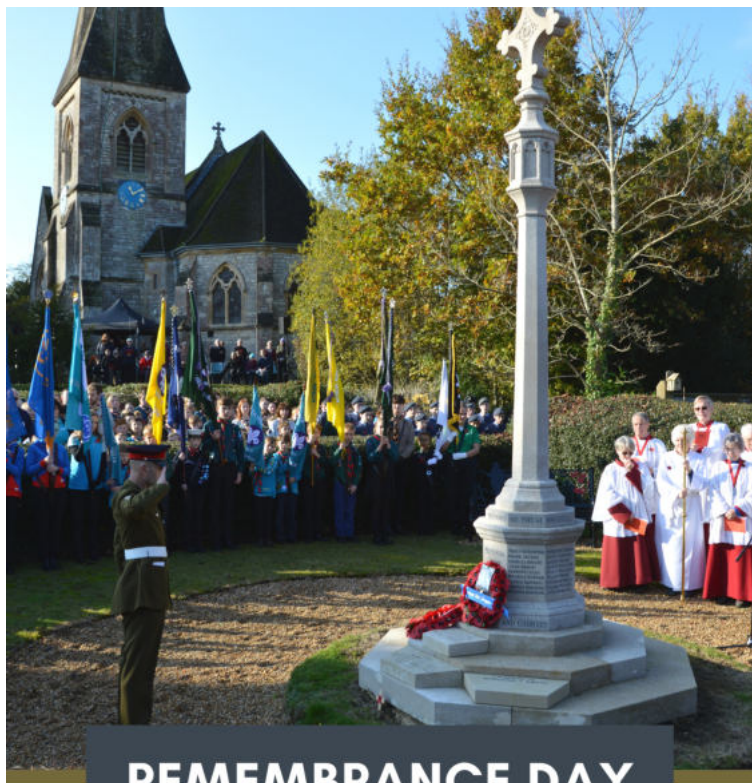

During the last few months, we have incurred unforeseen costs resulting from recent unauthorised encampments on St. John's Recreation Ground and Greta Park. Although we had taken what we believed were reasonable precautions to prevent access we are now looking at further measures to prevent further access. We are mindful that we don't want our open spaces to look like fortresses.

On a brighter note our Youth Leader has been able to continue working with the members of the Friday Night Project via Zoom. The young people who are members of that group all have additional needs and have really benefited from this contact. Our Youth Leader is also looking at how to establish a more generic youth club once meetings are allowed again.

Our Policy & Resource meetings are held on the 1st Tuesday of every month. You are most welcome to attend and raise any issues that may concern you.

Please keep well and safe.

**Cllr. Derek Pretty - Chair- Policy & Resources Committee**

## SERVING THE COMMUNITY AWARDS

This year the Recreation and Amenities Committee had a tough decision to make, but after much deliberation was able to decide on worthy winners for both the Serving the Community Award and the Young Person's Serving the Community Award 2019/20.

Usually, awards are handed out at the Annual Parish Assembly, an event celebrated with local residents, councillors and staff. The annual chair report is then followed by the committee reports discussing what has transpired alongside future developments within the community. Once all is said and done, the next hour is dedicated to announcing the awards. As this is unable to happen this year, we wanted to make sure we could still show the winners recognition, and what better week to do this than Volunteers' Week held from the 1-7th June every year.

The Serving the Community Award was given to Debbie Moore, a much loved member of the community who has dedicated her time to supporting the elderly with the help of One Community. Sharing many a Christmas assisting the Salvation Army alongside delivering essentials to those in need during the Covid-19 pandemic.

The Young Person's Serving the Community Award was awarded to Brooklynn Gumma for her hard work and dedication as Carnival Queen supporting community events. Brooklynn was also a much-valued volunteer youth worker, assisting at the Junior Youth Club and an active member of the Friday Night Project, which caters for young people with special needs.

## APPLY NOW FOR 2020/21

The Serving the Community Awards is a great opportunity to recognise someone who has gone above and beyond for the local community. They say not all heroes wear capes, but here at the Town Council we are determined to shine a light on volunteers who care for their community and take pride in doing so.

There are two distinct categories to choose from, the first is the 'Serving the Community' (25+) and the second is our 'Youth Award' for all nominations under 25 years. All work should be unpaid and located within the Hedge End area. Each application needs just one supporting reference to vouch for the candidate.

So if there is a special individual who springs to mind, head on over to the Town Council website where you will find the application form in the 'Our Community' tab. Available to download or fill out online whichever you find more convenient.

A poster for the Serving the Community &amp; Youth Awards. It features a yellow background with a large red heart and a hand holding it. Text includes: 'Closing date 12pm on Sunday 31st Jan', 'SERVING THE COMMUNITY &amp; YOUTH AWARDS', 'HEDGE-END TOWN COUNCIL', 'Do you know someone who is deserving recognition for the work they do?', 'EMAIL: OFFICEMANAGER@HEDGEEND-TC.GOV.UK', 'PHONE: 01489 780440', and 'FILL OUT THE FORM EASILY ONLINE VIA THE TOWN COUNCIL WEBSITE'.

## TRIBUTE TO ANDREW JEMMETT

I know so many readers of our gazette will fondly remember reading Andrews Tree Warden Report.

He loved his duties as Tree Warden for our town and thought about his report very carefully each time. Andrew also represented the Town Council at numerous seminars over his 10+ years as Tree Warden and retired in 2018 from a position he loved very dearly.

Sadly, Andrew passed away very suddenly this year on 26th February 2020, he will be missed by many and remembered for his dedication to the community.

## PHOTOGRAPHY COMPETITION

Whilst 2020 has been a trying year for many, the residents of Hedge End (like lots of towns throughout the UK) came together as a community. During the period of lockdown, many people discovered new hobbies and made the most of the allocated daily exercise. Thanks to the digital age, photography is now at our fingertips, so Hedge End Town Council took the opportunity to see what local people were capturing on their doorsteps. It is safe to say that we were not disappointed.

The weather in spring was glorious, and many of the images captured reflect the window of calm felt at that moment, when our busy day to day lives changed so suddenly.

It was a very difficult task for the Gazette Board to pick a winner as the overall standard was very high, however congratulations to Jensen Norman whose photo of Dowd's Farm was picked because of its Autumnal beauty and now graces the front cover of this Gazette. A special thank you to everyone who submitted their entries, it has been a real pleasure to share and enjoy these moments. Please continue to share your photos, so we can make this a regular feature. You can send your entries to [Marketing@hedgeend-tc.gov.uk](mailto:Marketing@hedgeend-tc.gov.uk).

# A DAY IN THE LIFE OF...

## How have you settled into your new role as Youth Team Leader?

I am really enjoying my role and have been getting to know more about Hedge End and discovering all the things which go in the community. Everyone has been very friendly. I work alongside some great part-time youth workers and volunteers who are really enthusiastic.

I had to suddenly change to working virtually during lockdown to keep in contact with the young people via a group Facebook page, weekly competitions and Zoom meetings. I am looking forward to re-opening and starting some new projects as lockdown eases.

## For those who are not sure what your job entails, how would you best describe what you do?

My role is to organise and deliver activities for young people in the Hedge End area. I have taken over the long running Friday Night Project, which is a youth club for young people with additional needs. I also started the Unicorn Project which is a health and wellbeing project for young people with additional needs with counselling and a drop in. I try and consult closely with young people when planning activities to get their input and ideas.

## What first inspired you to start working with young people?

My mum was a teacher and I used to help her at school on inset days, and so when I finished my exams, I decided I would like to work with children. My first job was a day camp leader at Fairthorne Manor which I loved, especially getting to try the outdoor activities.

Youth Team Leader

SARAH

When I left university, I volunteered with Prince's Trust and saw how support could help young people progress and decided I wanted to become a youth worker. I managed to get a job with Prince's Trust doing community projects and the rest is history...

## What do you find most rewarding about what you do?

The young people from Friday Night Project have been so welcoming. They always have lots of ideas about what we can do and are happy to get involved with initiatives. They looked at the local Youth Grant applications and helped decide what should be funded. They have been brilliant at adapting to virtual youth work, getting involved in the activities and keeping in touch.

## Where do you see the future of this role taking you?

I am keen to get projects open again and start some new activities in Hedge End as soon as I can. I would welcome ideas from young people about what they would like. Please get in touch:

# HEDGE END HISTORY

Whilst exploring the Town Council archives we found some fascinating stories about local Royal Navy Servicemen from Hedge End, whose names can be found on the War Memorial located at the junction of St Johns Rd and Church Lane.

Three names stood out in particular Alfred Toogood, Percy Houghton and Charles Shafford because they all served together on HMS Good Hope during the great war. The ship was a Drake Class Armoured Cruiser which, at the time, was one of the fastest ships in the World.

All three men were sadly killed in action at the Battle of Coronel off the coast of Chile on 1st November, 1914 and unfortunately their bodies were not recovered for burial. HMS Good Hope was sunk by the German armoured cruisers SMS Scharnhorst and SMS Gneisenau. HMS Good Hope went down with all hands, an estimated total of 926 officers and enlisted men, in an attempt to block the German East Asia Squadron penetrating into the South Atlantic.

Charles Stafford (32) and Percy Houghton (27) were Gunners in the Royal Marine Artillery unit and Alfred Toogood (33) an Able Seaman. All were linked to Hedge End in one way or another, whether it be through marriage, family relocating or by birth. Their names and sacrifices will be remembered.

To discover more about Charles, Alfred and Percy visit the Hedge End Town Council website where you will find details about their history within the '**Our Community**' tab. If you have further information you may wish to share or add to our archive. Please contact the marketing officer via email: [Marketing@hedgeend-tc.gov.uk](mailto:Marketing@hedgeend-tc.gov.uk).
