4. **To Receive a Police Report**

The police reports were circulated in advance and Sgt Stuart Jackson was in attendance. Sgt Jackson reported that ASB seems to have increased over the last month although reports have gone down. The service is demand and data led and the more reports enable the police to get a picture of what is happening where. The problems being experienced in Hamble have moved around the area including Manor Farm Country Park.

The PCSO will be doing some engagement locally in the bandstand and out and about and the Town Council are looking to join up with this. The 'Ask the Sergeant' engagement at KCC didn't promote much interest.

Cllr Ian Corben asked what ASB Environmental meant, Sgt Jackson confirmed that this was reports such as fly tipping and parked cars causing an environmental issue. Cllr Corben also asked for a speeding update. Sgt Jackson confirmed that the staff have been doing it when they can, but this is limited over the summer with other issues.

Cllr Craig asked for an update on the A27. Sgt Jackson confirmed that following a meeting with the MP and Highways this has not progressed.

Cllr Helen Corben asked if there was any success in taking the young people home to their parent if they have been causing issues. Sgt Jackson noted it was successful in some instances and not in others. He has agreed with Wildern School that certain areas will be targeted to catch those that are on the periphery of becoming troublesome.
