### **7. Borough and County Reports**

Cllr Cynthia Garton noted that there hadn't been any meetings with the elections taking place. Both Cllr Garton and Cllr Corben were pleased to be elected again at a Borough level.

Cllr Craig joined the meeting.

During the lead up to the elections, Cllr Garton had received an email to say that we don't have very much engagement with Speedwatch. It was outlined to them that every time the Police come to a Council meeting, we do ask about Speedwatch. A meeting was convened with Cllrs Garton, Corben and The Town Clerk. They provided information on the number of volunteers, the sessions and the locations. Community Speedwatch have volunteered to look at the data provided by the SID's and are collating that information. Cllrs asked if the headline information could be passed onto Councillors about the sessions. The ethos for Community Speedwatch is about education and they do look at other contributing factors such as speed limits and road layouts.

The Town Clerk was asked to follow up the meeting and make contact with the team to see if we can get the statistics.

Cllr House joined the meeting.

Cllr Carnell reported that there are 7 sessions in Hedge End in June, 4 of which will be on Maunsell Way.

Cllr Craig asked if the SID's can still be sited given that HCC have taken back the traffic orders.

Cllr Tonia Craig noted that there is full County Council on 18 May and Councillors were hoping for a date for the Minerals and Waste meeting.

There being no further business the Chair closed the meeting at 20:16pm.
