## Hedge End Cruisers Event
## 9th September 2007

On the 9th September, there is to be a presentation by the Emergency Services at Flanders Industrial Estate, Hedge End, to educate the dangers of Road Racing, targeting the people who attend the Hedge End Cruisers Event on a daily basis. This has been a problem for 4 years and a current Prime and partners in the Prime have been working together to tackle issues and there are some positive results as a result of that co operation.
We want to keep the pressure on those attending these events and it has been identified by the organisers of the event that certain people who attend this event need to be educated about the dangers of their driving.
With this in mind, with assistance from Hampshire Fire, Hampshire Ambulance and Road Policing Unit, we hope to hold this event.
We have secured a vehicle from Ravenscroft, being funded by Eastleigh Borough Council and the Fire Service are going to demonstrate how they have to remove people from cars involved in collisions and Hampshire Ambulance can provide information as to the levels of injuries often associated with Road Traffic accidents. We are hoping that our Road Deaths Investigation Teams and RPU can provide information as to the dangers and consequences of such driving.
This event is to take place at around 8pm on Sunday 9th September in the car park, where these people congregate each week.

## Hampshire County Council Grants

From July, each County Councillor will receive a budget of £10,000 to be spent on local projects or initiatives in their divisional area. Bone fide groups and organisations, but not individuals, will be able to apply to their County Councillor for a grant. It is hoped that grants will benefit a wide range of groups/activities; for example, vulnerable children or adults, young people, facilities for older people, community facilities, Parish Councils, minor traffic or safety works, local environment projects and community safety. The minimum grant is £100 and the maximum is £2000. Grant payments are one off and there be no should be no expectation of future funding. Here are some examples of eligible and non eligible organisations:

- Parish Council (for specific projects only)
- Scout, Guide, boys and girls brigade local organisations
- Religious groups where the project will bring wider community benefit
- Shopmobility (local)
- Citizens' Advice Bureau
- Riding for the disabled
- Village or community hall associations
- Age Concern, Mencap
- British Legion, Services' benevolent societies
- Parent Teacher Associations (formally constituted)
- Organisations promoting the locality
- Nursery education groups

Non Eligible:

- Any political party
- Any organisation with political aims
- Any campaigning group (CPRE, Friends of the Earth, etc)
- Any organisation that raises funds nationally – for national distribution
- Any organisation that is principally funded by national government (SEEDA, SEERA, National Parks, District Councils, Natural England, Highways Agency)
- Any government quango
- Any pressure group formed for one sole issue
- Any group formed to oppose any proposed/likely County Council policy

To find out more or to make an application, go to www.hants.gov.uk/grants
If you live in Grange Park, you will need to send your application to County Councillor Carol Boulton and if you live in any other part of Hedge End, send your application to County Councillor Derek Blampied.

## About Hedge End

As I write, it is the schools' summer holidays, and a handful of vandals are causing a nuisance. The new lining on the paddling pool was damaged almost immediately and graffiti appeared.
If you suffer any graffiti do ring 02380 688000 and ask for Direct Services. Eastleigh Borough Council will clear it with a high pressure cleaner. Once a disclaimer has been signed there is no charge for private premises. The process is most successful with brick, but, unfortunately, so I learn, is too powerful for wood. There is a charge for business premises of £25 per square metre.
Please let the police know immediately any graffiti occurs. They would also like to be informed about any other nuisance (vandalism, noise, threatening or abusive behaviour, drunk and rowdy groups or drug related anti-social behaviour as well as dumping, fly tipping, abandoned vehicles and broken street lighting). The number to ring is 101. (Dangerous situations or if you witness a crime being committed, you should dial the usual 999).
The Town Council is focussing its attention on Turnpike Way, now dedicated to cricket, with the aim of creating specific sports fields at high standard. We now have an 8 foot roller, which can be transported to other fields, for the outfield. In addition, a dedicated roller for the wicket (plus container) has also been ordered. The problem of mud can, once again, be attributed to vandals pulling down the guttering and this is also being addressed. Our rolling programme for all our sportsfields and pavilions is getting well underway.
As you may have heard, the new Kings Copse School is going to have a visually-impaired unit and the Town Council has donated some money for the sensory garden, which will be for community use as well.
I recently had the privilege of presenting the Town Council's Jubilee Shield to a class at Freegrounds Infants' School for a truly remarkable collage, which they entered into the Carnival Craft Competition. What a delight that was, with such bright, eager children and keen and dedicated teachers at the morning assembly. With successes from the other two Primary Schools, a brand new school at Dowd's Farm ready soon, and a CBE to add to the successes of Mr Jeffery Threlfall at Wildern, we are truly well served in our schools and by the enthusiasm shown by pupils, parents and staff. Long may it continue.

# HEDGE END CARNIVAL COMMITTEE

At the start of the carnival week it was a question of whether the carnival could go ahead in its usual form. Plans were being made to change the procession route and move as much of the show as possible into various indoor venues. However during the course of the week the amount of rainfall reduced a little and the condition of the fields that play host to the carnival started to improve. The real surprise came on Saturday when the rain relented, the sun even shone and we were blessed with the first dry Saturday in more than six weeks, tempting lots of people out onto the streets and to the gala show.

There were seven floats mounted on big lorries, lots of walking groups, several decorated cars, bands and even a steam roller. It looks as if Hedge End will maintain its reputation as the biggest carnival procession for many miles round. In fact, if you judge a procession by the number of lorry mounted floats then Hedge End was bigger than the combined carnivals of Romsey, Fair Oak and West End. Just imagine how big it would have been if all the people who had said they wanted to take part had arrived on the day. The street collection reached £1523 not far short of the record.

The gala show and fun fair almost filled Greta Park and with a big procession, we ran out of space on the field. Thanks for the cooperation of those people in the procession who could not make it onto the field. We may need to make changes next year.

Most of the events in carnival week were well supported. The children's sports introduced on Sunday were sparsely attended but at least those who came along had a lot of fun and went home laden with prizes.

More draw tickets were purchased then ever before, Mrs. Price of Grange Park won the first prize. Over 70 other prizes were won, check the carnival website for other prize winners. Whilst the draw was the most successful yet still less than 20% of households brought a book of tickets. So there is still plenty of scope to raise money to further our ability to improve the quality of life in Hedge End. Please make sure you buy a book of tickets next year.

The last 12 months of work by the carnival committee has allowed us to allocate over £4,000 to local charities. The monies will be presented in October and full details will be in the December edition of the Gazette.

At this time last year, we were telling you that there may not be a carnival in 2007. The reason that it did happen was that there was a positive reaction from enough people to keep their carnival alive. Please remember to say thank you to those people who saved your carnival. We still need more help on carnival afternoon, there is so much more that we could do if we had more people. If you could help on carnival day or would like to make a greater commitment, contact the organisers now or come to the AGM on September 27th.

Your carnival day is only 10 months away now, it is always on the first Saturday in July. Next date for the carnival is July 5th 2008. Before then, there is the senior citizens lunch on October 6th and the Fantastic Firework Fiesta and Fun Fair on November 10th.

The Firework Fiesta has developed into a really top event and is usually attended by about 3,000 people, but there is room for another 2,000 before it gets crowded. If you have not been before then why not give it a try this year. You could become one of those people who stop on the way out to tell us that the fireworks were much better than those at other much more expensive events.

Check out all the latest carnival news on the carnival website, see if you can spot yourself in the photo gallery, if you cannot, then why not submit your own pictures.

### Village Hall Committee

The Village Hall management committee has been active recently to try and keep the hall in good condition. The hall is very busy at the current time. During the week, the only time when the hall is not in use is a Thursday afternoon. This day is now when the dance floor receives its weekly polish.
The kitchen and eating area has been redecorated. The main hall has been fitted with a sound limiter so the noise created by some functions should be reduced. The car park has been patched and lines reinstated and spaces for disabled drivers have been allocated. On numerous occasions users of the Village Hall suffer difficulty using the car park because people who are not using the hall commandeer the car park for their own use. It is with regret that it looks as if the Village Hall car park may have to be locked when not in use.
The gents toilets are currently receiving their upgrade and should be completed very soon.

The Hedge End Twinning Association has, as our goal, the promotion of goodwill and understanding between the peoples of Hedge End, England with those of Comines-Warneton, Belgium and Comines, France.

Our most recent event was the annual visit by our friends of the group "Aux amis d'Hedge End" from across the Channel the weekend of Hedge End's Carnival, 7-8 July. This year, 22 people came from France and Belgium, an increase in numbers over last year. For a good dozen people, it was their first trip to Hedge End. Upon arrival in Hedge End, they wasted no time in setting to work on preparing their float on the lorry kindly provided free of charge by Fraser Freight. The Carnival theme was "James Bond 007" and "les amis" were faithful to the theme by presenting their version of "Casino Royale". They earned second prize in the Carnival float category of "Class A – Vehicle outside the village". Even their coach driver, dressed in suit and tie, was persuaded to mount the float where he eagerly used champagne buckets to beg for money from the crowds lining the Carnival procession route. Saturday evening was spent at an "American Supper" at the home of Colin and Stella Kennesion where we all had a chance to catch our breath and relax, chatting in a mixture of French and English. Sunday morning saw us on a boat ride on the River Hamble, followed by lunch at the Spinnaker Pub. Sadly, it was all too soon to say 'au revoir' as our friends re-boarded the coach for their return trip. Thanks to all who hosted our visitors, who were very warmly received.

As a fund-raising effort, Linda Galvin, Carol Hardy, and Sally Lloyds organised a raffle on Carnival Day. The winning tickets were drawn by Carnival Queen Lizzie Galvin at the Saturday evening party. The first prize of a basket of French and Belgian goodies was won by Chris Houghton. Second prize, a bottle of a Belgian Amer and two glasses, was won by Mrs Joan Whitley. Thanks to all who bought raffle tickets as part of our fund-raising effort, the profit was £41.

There is a possibility of a trip to Comines, France in October for the "Fête des Louches" (Wooden Spoon Festival) but details are not available at present.

Next on our agenda is our AGM on Monday, 10th of September, at 7.30 pm. Please come along to this meeting to provide your input.

Please contact us if you are interested in getting involved.

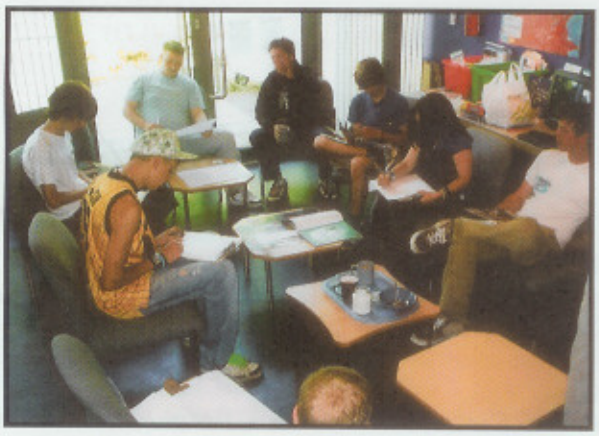
## The Box Youth Group Graffiti Art Project Woodhouse Lane



A planning meeting to discuss the first plans of the project and to sign behaviour contracts.

A chance to practice their art work before the final piece.

Jenny Critchlow and a local professional artist sit down to draw final project designs

The finished project with the word "Woodhouse" sprayed on.
