Kings Copse School

New School Build Update

The new build at Kings Copse is progressing at an extremely fast pace (look out for photos in the next issue of the Gazette). Mrs Hall (Deputy Head) stated that *'It is fantastic for both staff and children to be able to watch the progress of our new Kings Copse school. Seeing the building take shape has really brought the project to life and we are all extremely excited by it'.*
Look out for further updates in the next Gazette.

Kings Copse PTA School Project

The school's PTA (Parent Teacher Association) has raised over £9,000 through fayres and other fundraising events. Eastleigh Borough Council matched the money raised and with a grant of £10,000 from Hedge End Town Council and further funding from Hampshire County Council, they will meet the target of £43,000. The project includes an outdoor classroom, timber trail, pond area and environmental area, allotments and a sensory garden. As part of their fundraising, they have started a mobile phone recycling collection scheme. See article below.

KINGS COPSE PRIMARY SCHOOL LAUNCHES FONES4SCHOOLS COLLECTION

The Mayor and Mayoress of Eastleigh were on hand at Kings Copse Primary School's Summer Extravaganza to launch the "Fones4Schools" mobile phone recycling scheme on Friday 22 June 2007. The school is set to receive £300 for every 200 unwanted mobile phones collected and each pupil also gets a prize for every phone collected. Pupils, staff and parents are busy collecting to help fund a fantastic outdoor area when the new King Copse School opens in September 2008. Fones4Schools guarantee that every phone is either re-used in developing countries or recycled, keeping them from landfill sites where they can cause serious environmental problems.
Esther Jones, Headteacher said: *'it's a great way of getting the children involved in recycling and caring for the environment as well as raising funds for our new school outdoor area'.*

HEDGE END CARNIVAL COMMITTEE

For 2007, the Carnival Committee are pleased to have been able to donate £1000 to the Hedge End First Responders to help these community volunteers assist with medical emergencies. Whilst we hope to never need their help, it is very reassuring that there are people who are ready to help us when we are in need. In addition to the First Responders, the Carnival Committee has been able to make donations to the following organisations: Scouts £300, Guides £300, Boys Brigade £100, ATC £100, Explorers £50, St. John Ambulance £200, Performing Arts Company £1500, Annual Senior Citizens Lunch £400, Cricket Club £100, Hedge End Christmas Lights £1500. The total is just over £4000 given to organisations dedicated to improving the quality of life in Hedge End. If you are a member of a Hedge End based organisation and need to raise funds, you could be eligible for a donation from next year's carnival. Please contact the Carnival Committee for more details.

Despite Carnival Day being a long way ahead, there is enough to keep the people who organise your carnival busy. The AGM was slightly disappointing as no new people came forward to offer their services. If you were thinking about getting involved but just didn't get around to it, then it's not to late to get in touch now. We still need people to be on the committee and we need lots of people to help on Carnival Day, July 5th 2008. Around 100 of the village's senior citizens attended the Annual Lunch at the Village Hall on October 6th. Gifts were given to the oldest lady, 99 year old Mrs. Charlotte Forrester and the oldest man Mr. Len Harrington at 94 years old. Mrs Mears was not able to attend the meal this year but was taken a special gift as she celebrated her 100th birthday the following day. Vera Blunt was chosen to be the Senior Carnival Queen in recognition of all that she has contributed to the village. Following the presentations, entertainment was provided by Pat Jenkins.

A Quiz Night was held at the 2000 Centre on November 2nd. 56 people came along and helped to swell the carnival coffers. The next quiz will be on January 11th 2008.

Excellent weather once again helped the Firework Fiesta & Fun Fair to keep its place as one of the biggest events in the area. More people than ever before made their way to Greta Park on November 10th. Thanks to Burnett's Fun Fair for arranging the event which keeps the price incredibly low for such a good firework display. The firework contractor is the top company Selstar Fireworks which was awarded first place at the national firework championships held at Plymouth in August. Of course, it was not only fireworks on offer, the team from Skyline FM were on hand along with Jules the Jester to help keep everyone amused as they waited and the Carnival Queen gave away nearly 100 helium balloons. Remember that 50% of what you pay to enter, is distributed to good causes in Hedge End. So not only do you have a great evening out, you help to improve the quality of life in Hedge End every other day of the year. See you next year! The carnival this year was the biggest by far in the Eastleigh Borough area and we would like to keep it that way! Remember that the carnival date is **JULY 5th 2008**.

Hedge End Outdoor Bowling Club

The Bowling Club has had a very successful 2007 season. The men in the Southampton & District Bowling leagues won the Division 3 Championship and are now promoted to the 2nd Division. The combination 3 team were promoted to the 2nd Division of the combination leagues and the Ladies won the Southampton & District D League and were also promoted.

The club competition Finals Day saw many very good hard fought matches to keep the spectators interested, with the Ladies Championship being won by Chris Hall and the men's by Colin Waterman.

This year, the Bowling tour went to Ilfracombe, which was enjoyed by all, with 3 out of 5 matches won and are looking forward to the Babbacombe tour in 2008.

If you are interested in bowls and would like more information then please contact us on 01489 783690 or 01489 690953

HEWEB Youth Council

In an Extraordinary Meeting held on the 5th November, the caretaker HEWEB Youth Council was elected and is now made up as follows:

Chair - Chris Baison
Vice Chair - Stuart Garrod
Secretary - Keegan Jackson
Treasurer - Emily Weekes
Public Relations - Mark Stratford
Members - Melissa Caulston, Alex Burnett, Shaun Wheble

These are temporary until the formal vote at the AGM in 2008.

'The HEWEB Youth Council is evolving into a dynamic group of young people who wish to support the needs of local young people and also take an active role in the opportunities at The Box Youth Centre. Some of the young people have written comments about a couple of things that are happening in the near future. We hope you will enjoy getting a flavour of what happens at The Box'.
Jenny Critchlow - Area Youth Worker

Arts Award

Three members of The Box, Stuart Garrod, Melissa Caulston and Alex Burnett are studying for a national qualification, which will support young people in their artistic development. To complete this Award, they will first select their starting point in a chosen art form and then they set themselves personal challenges. The aim of this award is to assess their personal development and not specific skills. The HEWEB Youth Council wishes them well in studying for the award.
Cllr. Nathan Khan - Hedge End Town Council

Garden Project

In October, The Box met with Julie Fraser from BTCV (Eastleigh Greenspace Project) to discuss a new garden project. During the discussions, she gave a brief of what the young people would like to plant outside, this included plants, bulbs and water features. We then had to think about this and decided to place our ideas in a box. Whilst doing this, we used our DVD video camera purchased with Youth Opportunities funding to build a portfolio of ideas and we will now wait and see what developments will take place in the future.
Stuart Garrod - Vice Chair

Christmas Dinner and Entertainment

On the 19th December, we have planned our Christmas dinner and entertainment evening at The Box. The entertainment will include a quiz and talent show. We held a Christmas dinner last year, which proved so successful that we decided to hold it again. The meal is prepared and served by the members of The Box with the help from the youth workers.

Snap Discos

The "say no and phone" or "snap" discos are aimed at 11-14 year old young people and are trying to encourage young people not to give in to peer pressure and to phone police if they are approached with any illegal activity. They have proved to be a huge success in neighbouring areas and provide a cheap night out for young people in a risk-free environment. These events have the support of Eastleigh Borough Council, Hedge End Town Council, the Police and Crimestoppers. PCSO's will be in attendance at functions, providing an excellent opportunity for young people to get to know the local PCSO's.
Cllr. Nathan Khan - Hedge End Town Council

About Hedge End

For the past ninety years, Hedge End has honoured the brave men and women who gave their lives in service in the First and Second World Wars and their names are commemorated on the War Memorial on the corner of Church Lane, Hedge End. If anyone reading this article knows of any resident of Hedge End who died as the result of active service since 1945, could they please contact the Town Clerk with the details to ensure that their name can be remembered at future services. The Town Council can be contacted on 01489-780440.

Invaluable and committed service to the community of Hedge End is often unacknowledged and therefore, this year, the Town Council has launched a new Annual Award Scheme. This innovative and unique concept is aimed at recognising the valuable contribution someone has made to the community of Hedge End. Should you know of anyone who has made such contribution and who you feel should receive such recognition, please ask for a nomination form from the Town Council offices so that they can be considered. Forms can be obtained by e-mail: reception@hedgeend-tc.gov.uk or by phoning 01489-780440. **Closing date for receipt of completed nominations is Midday, Thursday 31 January 2008.**

Under our play areas rolling refurbishment scheme, we plan to replace the Westward Road Play Area, at a cost of £40,000 and are consulting on a complete refurbishment of the Rodaway Play Area. After the valuable management of the Drummond Centre by the Drummond Community Association, the Town Council will be taking over the management of this hugely popular facility from January. Bookings or queries should, therefore, now be addressed to the Town Council.

Meanwhile, at the Turnpike Way Recreation Ground, the ATC (Air Training Corps) building is now complete and we wish this excellent organisation every success in their new venue.

Town Councillors and staff are here to serve the people of Hedge End so please don't hesitate to contact one of the Councillors or the staff with any suggestions or queries. All contact details can be found in the Gazette.
Cllr. Sheila Baynes - Hedge End Town Council

31st Amazon Sea Scouts Award Evening

The Award ceremony was held on the evening of Wednesday 18th July 2007 at the headquarters of the 31st Itchen North (Amazon) Scout group at the Norman Rodaway Pavilion. The Chief Scout GOLD awards were presented to Scouts by the District Commissioner Mark Preston. The Scouts who received their awards were, Thomas King, Joseph Earley, Jonathan Broomfield and Chris Luetchford. The parents of the Scouts attending the ceremony were privileged to present the certificates for the Chief Scout GOLD award to their son. The event was unusual, as we normally only award 1 or 2 Scouts with this award, but these 4 Scouts managed to complete all the challenges at the same time and we were delighted to achieve this for the first time in the groups history. The Scout leader, Phil Bryant, gave a speech about each of the Scouts and what they had done to complete this award, how much fun they had had and what they had learnt in the process. See picture on backpage.

Andy King - Assistant Leader.

Wooden Spoon Festival - Comines 2007

By 6.00 a.m. on Saturday, October 13th, we were on our way once again to Comines. The 'we' being ten of us, in a twelve-seater mini-bus, being ably driven by Jean's husband, Dave. After a smooth drive and ferry crossing, we arrived at around 2.00 p.m. (local time) to be greeted with the familiar warm welcome.

We each left with our respective hosts, regrouping again in the evening, for a meal served medieval style in the open air in the square. This had been preceded by the children's lantern procession. Sunday morning dawned brightly, the parade at 3.00 p.m. was a colourful blend of traditional costumes, horses, giants, a flock of sheep (it's true!), the Wooden Spoon Committee's float, (from which spoons were being thrown) all helped along by music from several bands.

The spoon-throwing from the Town Hall began at 5.00 p.m. and Jerry, one of our members, braved the crowds to take photos and maybe even catch a spoon!

However, at one point, he had to abandon this as a fight had broken out and the police had to quell the fracas. Trophies were proudly paraded by the recipients, as a sure sign of their bravery, fearlessness and maybe even a little madness!

This Festival, which is held every two years, must be seen to be believed and is very highly recommended.
